

As NAS we understand that our clients operate in dynamic markets, most of which have to comply with the B-BBEE Act. To assist in doing so and to facilitate a smooth transition to current and new legislation, our advisory team has developed methodologies and services in order to equip our clients to be more effective in preparing for the B-BBEE verification process.

The **CURRENT TARGETS** from the 2014 report are depicted below for easy reference:

Male

PROVINCE	African	Coloured	Indian	White	Total
